

Block 22 - Victoria Findlay Wolfe

General instructions :

The measurements given for cutting include seam allowances of 7 mm ($\frac{1}{4}$ "), rounded to 15 mm ($\frac{1}{4}$ ") for two seams. Make any necessary adjustments. The measurements in the explanatory diagrams do not include seam allowances. For the templates, add a seam allowance of 7 mm ($\frac{1}{4}$ ") all around.

Cutting :

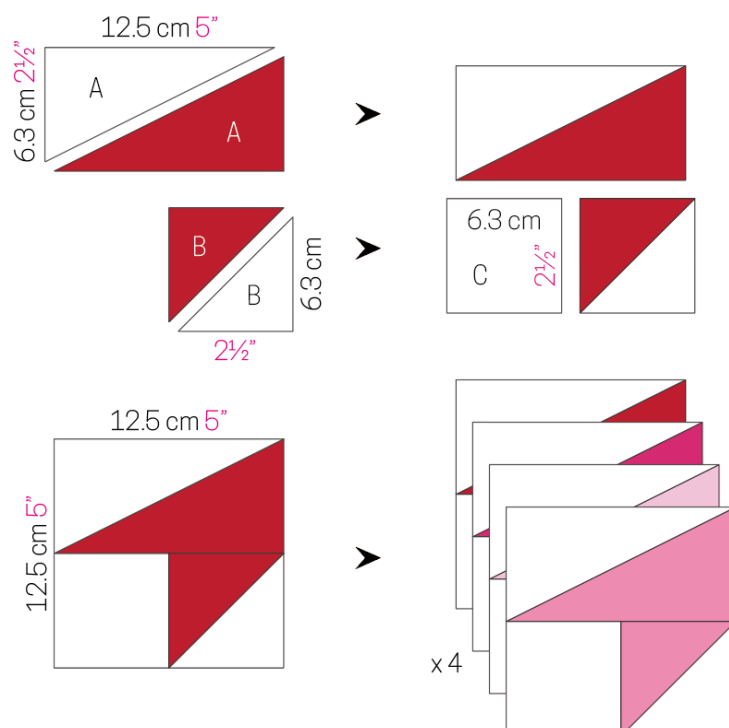

- From four fabrics in a gradient from red to pink, cut the following:
 - one A triangle from each fabric
 - one B triangle from each fabric
- From one white fabric for the background:
 - four A triangles
 - four B triangles
 - four 7.8 cm (3 ") C squares

Assembly :

Diagram 1: Stitch together the contrasting A triangles to obtain one bicolour rectangle, then join the B triangles of the same fabrics to obtain one bicolour square.

Stitch the C square to the bicolour square and add the bicolour rectangle to the top to obtain one unit.

Repeat with the pieces of each fabric to obtain four units in total.

QUILTmania

Diagram 2: To assemble your block, stitch the units together in twos, referring to the diagram to orient each unit. Join the units obtained.
