Assembly :

Diagram 1: Fold the ends of each rectangle of red stripe fabric, at 45°.

Position and pin them on each side, edge to edge on the A square, then mitre the corners of the square obtained.

Mark the outer edge of each piece 1 and work reverse appliqué, turning your seam allowance to the back and using small invisible stitches.

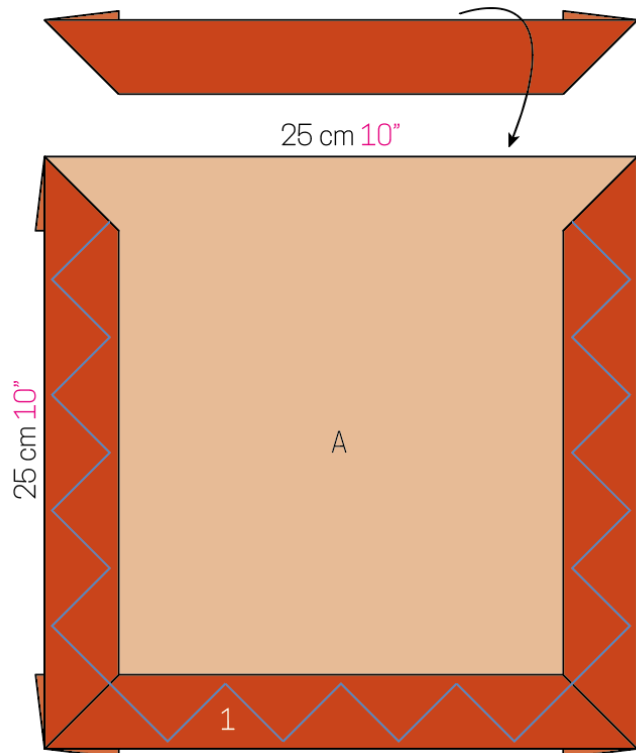

Diagram 2: Using a light source, transfer the motif outlines.

Work the appliqué, using the traditional method, with small running stitches.
