

## Step 2

Trace the bird and leaves design on the felt with the erasable pen. You can use tracing paper to help you place the patterns correctly.

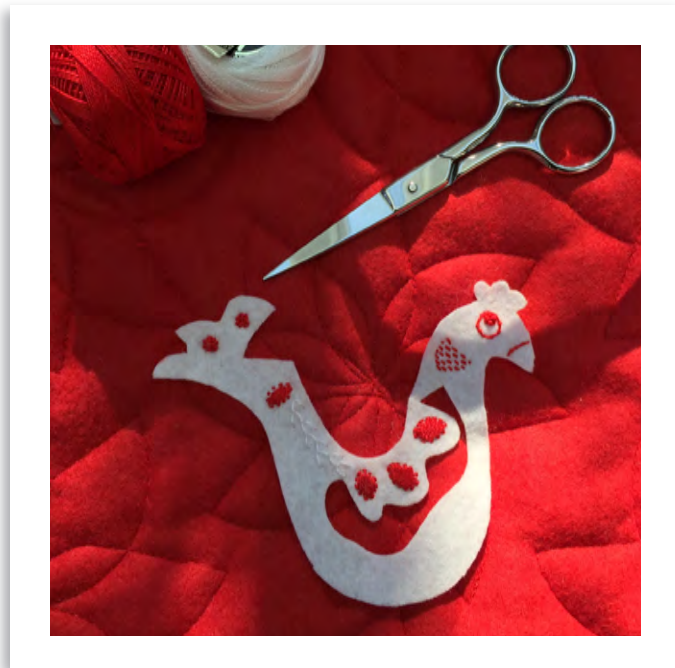

The supplies' indicated measures are just right, keep the scraps to cut out the small pieces.

Embroider the birds with running stitch, back stitch, web stitch, feather stitch, couching stitch and satin stitch.

# Step 2

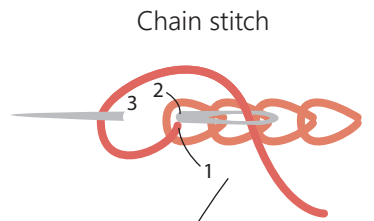

Cut the shapes out.

Place them on the background felt.
